

**ADVERTISEMENT NO. URDIP/02/2019**

**CSIR UNIT FOR RESEARCH AND DEVELOPMENT  
OF INFORMATION PRODUCTS  
(NCL Estate, Pashan Road, Pune 411008)**

*In association with  
Academy of Scientific and Innovative Research*

**Offers A GOLDEN OPPORTUNITY OF**

**One Year Full Time Post Graduate Diploma (PGD) in  
Patinformatics (Patent Informatics)**

Under the aegis of

Academy of Scientific and Innovative Research (AcSIR), An Institution of National Importance under Govt. of India.

Patinformatics is fast emerging as a science of analysing patent information which supports decision making in research, technology and business planning.

CSIR – URDIP is inviting applications for its one year full time post-graduate diploma course in the field of Patinformatics. The course has been designed to train the candidates in the art of patent searching, reading and analysis for the purpose of creating patent landscapes, identifying research gaps, competitive intelligence, new venture evaluation, patent portfolio management and techno-legal analysis, besides giving the candidates a broad overview on Intellectual Property and Patent Statutes. The course modules are designed to include a blend of class room teaching and hands on training on live projects of different types. On successful completion of the program the candidates will be awarded “**Post-Graduate Diploma in Patinformatics**” by the Academy of Scientific and Innovative Research (AcSIR), a University established by an act of the Parliament. The young professionals trained in this discipline will find growing job opportunities in Corporate Planning, Business Development, IP and R&D Management functions as well as in Law firms, Consultancy companies and other Knowledge processing organizations. Sponsored candidates from companies are also required to apply through the admission process.
